Life Time Achievement

Introduction

Nursing is a profession within the healthcare sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other healthcare providers by their approach to patient care, training, and scope of practice. The tireless services rendered by the nursing personnel most of the time goes unnoticed and not recognized. It is quiet imperative that their service should come to the limelight and they are acknowledged in the society with due regards.

Tamilnadu Nurses and Midwives Council (TNNMC) would like to recognize the distinctive contribution made individually by ANMs, Nurses, Nurse Educators and Nurse Administrators. The Awards recognizes the outstanding professional accomplishments made within the public and private hospitals, community healthcare sector and educational institutions.
