Sir/Madam,

Sub : **“International Midwives Day”** – TNNMC Celebrating on 5th May Virtual platform on theme **“Midwifery-Professional Pathway from Antiquity to Eternity”** – Request to send Photos of 10 Midwives from your Hospital or Affiliated Hospital through email – Reg.

As we all know, the **“International Midwives Day”** is observed globally on 5th May every year since 1992. This day is celebrated to recognize the work of Midwives and raise awareness about the status of Midwives for the essential care they provide to mothers and their newborns.

The theme for **“2021 International Midwives Day”** is **“Follow the data, invest in Midwives”**. As a part of this, The Tamilnadu Nurses and Midwives Council is also planning to organize various programmes on this day under the **theme, “Midwifery-Professional Pathway from Antiquity to Eternity”** to honor and appreciate all the efforts and achievements of Midwives in Maternal Healthcare in and around Tamilnadu.

The Tamilnadu Nurses and Midwives Council has always been in the forefront to find ways to uplift and empower Nurses in our State and we have tried many innovative methods in the recent past like the Google Class Room (GCR) and proved that nothing is impossible. All your commitments in those ventures were exceptional and we expect the same co-operation for the upcoming programmes too. Together let us scale new heights and make the impossible possible.

To commemorate the **“International Midwives Day”** and to honour our Nurse Midwives, one among the many such programmes which the Tamilnadu Nurses and Midwives Council plans is to make a **“Magnolious collage of the practicing Midwives under TNNMC”**. It will be an assemblage of more than 1000's of our talented Midwives thus creating a new World. As we are amidst this Covid 19 pandemic, which has made us to maintain distance but let us show this distance cannot stop us in our efforts to strive for excellence in our profession.

p.t.o

We would like each of you to render your support and co-operation by sharing the images of Midwives practicing in your respective parent hospital or affiliated hospital for the same.

The following points are to be observed.

1) Each College should send **photos of atleast 10 midwives** working in your respective parent or affiliated hospital in the Obstetrics unit. So that we can have a coverage of all zones of Tamilnadu.

2) The photo should be a soft copy of their recent passport size photograph (Note: No old photos or screenshot photos entertained, since we need recent passport size neat photograph with high resolution to do technical work on it).

3) The Colleges are requested to send the soft copy of photos of the Midwives along with their name, age, designation, years of experience to the mail id tamilnadumidwives@gmail.com on or before 20/04/2021.
