

Tamil Nadu Nurses And Midwives Council

Constituted under the Tamilnadu Nurses and Midwives Act III of 1926 Chennai (MADRAS) - INDIA

7th April 2020

Dear Colleges of Nursing Principal,

Greeting from TNNMC !

Council is overwhelmed with your response in implementing the GCR – Classes. As you are all aware that the B.Sc (N) GCR class is implemented from 6th April 2020 onwards. I was delighted to see the audio /chat responses of students and parents regarding our GCR classes. Indeed the credit goes to everyone of you and my sincere thanks to everyone for your kind co – operation to make it a grand success.

To our surprise on an average of 80% students approximately 42,000 students participated from 1st to 4th year, on the first day itself. This has motivated all of us to go further to plan for PBBSC(N), M.Sc. (N) and DGNM, Google Classroom classes. So, council is working on this, within couple of days this shall be implemented.

As per our earlier circular I kindly request the 53 GCR Co-coordinators kindly send your attendance report to this following Email ID: uggcrattendance@gmail.com. This attendance report should be submitted once in 3days in the given email Id.

TNNMC GCR Attendance

Date	Year	Name of the College		Grand Total & Percentage Attendance (%)
		Students Strength	No of students Attended	
	I year			
	II year			
	III year			
	IV year			

Once again all of you who worked for GCR classes' execution kindly accept my sincerest gratitude for your superior work in the service of nursing education during this lockdown period.

Thank you,

Sincerely,
Sd/-
