Ref.No.4552/NC/2021

To

All the Management/Principal of ANM institutions under TNNMC.

Sir/Madam,

Sub : ANM Programme – Educational qualification -- Reg.

\*\*\*\*\*

It has been found that many of the ANM institutions are admitting the students who have done their +2 qualification at Madurai Kamaraj University (Foundation Course) which is not an eligible qualification to undergo ANM Training. As per Indian Nursing Council norms “students qualified in 10+2 Arts or Science examination conducted by National Institute of Open School” only can be accepted apart from the regular stream of 10+2 qualification issued by the Higher Secondary Education Board.

This should be strictly adhered by all the ANM institutions, or otherwise registration process of the candidates cannot be considered by the Council.

Thanking you,

Yours faithfully,
