All communications to be addressed to the 'Registrar' and not by Name

**Prof. Dr.S.Ani Grace Kalaimathi, RN, RM, Ph.D.,
REGISTRAR**

Ref.No.279/NC/2021

09/07/2021

To
The Principal of all Schools & Colleges of Nursing under TNNMC.

Sir/Madam,

Sub : Free Online Training Programme on “Infection Prevention and
Control Practices” to Nurses and Nursing Students – Reg.

The Tamil Nadu Nurses and Midwives Council (TNNMC) is happy to announce a FREE Online Training Program to strengthen knowledge and skills of Nurses and Nursing students in the area of “Infection Prevention and Control Practices” based on “Adult Learning Principles”

This program is being made available on the ‘Ibhar Learn’ mobile app which can be downloaded from Google Play store and Apple App store. This would allow nursing personnel to learn at their own pace in their own setting and refresh their learning and understanding on the importance of Infection prevention.

So, I kindly request all the Schools and Colleges of Nursing Principal convey this message of Online Training courses to our Nurses and Nursing students and also to your affiliated/tie-up hospitals to utilize this opportunity which will enhance their knowledge and upskill their skills through this Audio and Video platform especially during this pandemic period, which is provided by the Tamilnadu Nurses and Midwives Council **at FREE OF COST.**

Download and usage instructions are available on this link
<https://youtu.be/RkpkjKjd91Q>

Ibhar has provided a dashboard to our Council, through this we can count the number of Nurses and Student Nurses attended the Course and completed their course with the CNE Credit Hours of 10 sanctioned by TNNMC. Hence, TNNMC provides statistics how many Government / Private / Nursing students have taken and completed the “Infection Prevention and Control Practices”. The Training link will be hosted in our website “CNE Approved List”

Thanking you,

Yours faithfully,

REGISTRAR
