**NOTE: Parent Hospital (Unitary/Single Hospital)**

College of Nursing should have 100 bedded parent/own hospital which is compulsory requirement.

Parent Hospital for a nursing institution having the same Trust/Society/Company which has established the nursing institution and has also established the hospital.

OR

For a nursing institution (managed by Trust/Society/Company under Section 8), a 'Parent Hospital' would be a hospital either owned and controlled by the Trust/Society/Company or managed and controlled by a trustee/member/director of the Trust/Society/Company. In case the owner of the hospital is a trustee/ member/director of the Trust/Society/Company, then the hospital would continue to function as a 'Parent Hospital' till the life of the nursing institution.

The Undertaking would also be to the effect that the trustee/member/director of the Trust/Society/ Company would not allow the hospital to be treated 'Parent/Affiliated Hospital' to any other nursing institution and will be for minimum 30 years [i.e., signed by all trustees/members/directors of Trust/Society/ Company] to the Undertaking to be submitted from the trustee/member/director of the Trust/Society/ Company.

The beds of Parent Hospital shall be in one Unitary Hospital i.e. in same building/same campus. Further, the Parent Hospital shall be in the same State i.e. where the institution is located.

- a) It is to be noted that once a particular hospital is shown as —Parent Hospital and permission given to the nursing institution to conduct nursing courses, then, the permission/suitability granted would last as long as the said hospital is attached as a —Parent Hospital.
- b) In case the trustee/member/director of the Trust/Society/Company withdraws the Undertaking given, in that case even the permission/ suitability letter issued would be deemed to have lapsed/stand withdrawn with immediate effect.
